The Blue Cross Blue Shield of Massachusetts Foundation is pleased to invite elected officials and leaders from the health care, business, labor, and advocacy communities to a moderated town hall meeting to continue the discussion about expanding health coverage in Massachusetts.

The summit will feature a keynote address by Speaker of the House Salvatore F. DiMasi and new reports by John Holahan and Linda Blumberg of the Urban Institute, Alan Weil of the National Academy for State Health Policy, and other researchers detailing implementation plans to achieve universal coverage. The presentations will be followed by a town hall meeting moderated by Chet Curtis of New England Cable News.
